Your child will also need the following items:

Lunch Box	Please label with your child's name.
Backpack	It should be big enough to hold a lunch box and other items. Please label with your child's name.
Indoor Sneakers (with velcro)	Your child needs to have sneakers with velcro (no shoelaces) and non-marking soles for the classroom and gym. <u>Please label with your child's name.</u> They remain at school all year. Students change from their outdoor footwear to their indoor sneakers every time they come inside. <i>Please note: With indoor <u>and</u> outdoor footwear, we have no shoelaces because your child needs to be able to put them on and take them off independently.</i>
Extra Clothing	Please send an extra set of <i>clothing (shirt, pants, underwear, and socks)</i> in a large resealable bag with your child's name. We play outside a lot and sometimes we get dirty! Spills and accidents can also happen!
Water Bottle (with flip top and straw)	The water bottle needs a flip top (with straw) and not a lid that screws on and off (<i>too easy to spill</i>). Please label with your child's name.
2 Boxes of Tissues	
<i>Please note: Your child does not need headphones.</i>
